

Dear Business,

As you may know, the Tullahoma Band has a long tradition of excellence. We are the single largest student organization in the entire school system. A few of our accomplishments include receiving the Tennessee Bandmasters Association award 5 times, performing at Pearl Harbor twice, the Fiesta Bowl, Chicago St. Patrick's Day Parade, and being invited to perform for the Tennessee Music Education Association Conference three times!

Our band is again hosting its annual March-A-Thon to raise funds for the operation of our band program. On October 18th, our band will be marching in various neighborhoods across Tullahoma as well as area nursing homes to entertain Tullahoma residents and to thank the community for its support.

We are asking for your help. We need sponsors to help our program. Would you consider being one of our sponsors? Thank you in advance for considering sponsorship of our program. There are four tiers of sponsorship.
